

# MONTECITO SANITARY DISTRICT PROTECTING YOUR HEALTH AND THE LOCAL ENVIRONMENT

*Laboratory Manager Carole Rollins tests wastewater, confirming it is fully disinfected to kill pathogens and viruses.*

Since 1962, the Montecito Sanitary District has been safely collecting, treating, and disposing of Montecito's wastewater. The District's certified laboratory and operators ensure the protection of the local environment by continuous monitoring using the latest testing equipment and technology. The District's well-maintained facilities and award winning staff serve the Montecito community 24 hours a day, 7 days a week. If you have any questions call General Manager Diane Gabriel at 805-969-4200.
